MINUTES OF THE TWENTY-THIRD FDD CAREER SERVICE BOARD MEETING

25X1A

18 July 1957

25X1A

The following training matters were brought before the Board:

25X1A

[REDACTED] proposed that [REDACTED] FDD Scientific Russian (Advanced) course be extended from 12 to 16 weeks. The Board approved.

25X1A

[REDACTED] gave an evaluation of the NSA Indonesian course recently completed by [REDACTED]. They feel that the course was not too satisfactory in actual instruction. The course objectives were met; however, on-the-job training would have been more beneficial. [REDACTED] was assured by NSA that this course is not representative of the type of courses usually offered.

[REDACTED] in his Creative Thinking briefings with Branch Chiefs has asked for names of those people who may be interested in organizing panels for discussion.

The Chairman introduced the question of procedure in competitive promotion for GS-11's. After some discussion, the Chairman stated that Branch Chiefs should submit to him not later than Tuesday, 23 July, their recommendations for competitive promotion in the order of their nomination. He will then appoint a panel to consider all the 11's in the Division and present their recommendations. It is to be noted that Division panels had previously evaluated GS-12's and 13's for competitive promotion.

Career Preference Outlines were reviewed for the following:

25X1A

The Chairman requested the Secretary to total the number of Career Preference Outlines reviewed by the Board since the first of the year and forward the total to OO.
